

Seasonal and Long Term Employment

by Revy. It seems like yesterday that I came to Narrows West Lodge straight out of university to work as a server for the summer. Little did I know that it was a decision that would

change my life. Not only did I become a part of the Narrows West team, I was welcomed into the community. I spent the entire summer at the lake working and enjoying the "lake life"! It was this first time I was able to work a full day and then immediately jump in the boat and head out fishing and I loved it. After the summer, I moved away to teach and travel but the Narrows had become my home. It was not long until I moved back and have now been with the company for over 6 years. If you or anyone you know is looking for an amazing summer job opportunity or the opportunity to work year round, we are looking for outgoing, enthusiastic people to join our team as:

- * Kitchen Staff
- * Serving staff
- * Store Clerks
- * Maintenance staff
- * Bookkeeping and administration
