

## Join Us July 4th For The 1st Annual Lake Manitoba Narrows Canada Day Family Fun Day!

The idea for the Canada Day Family Fun Day derived from a group of people, led by the Lake Manitoba Narrows Land Owners Association (LMNLOA), that wanted to have a beautiful fireworks display on Canada Day for everyone at the Narrows to enjoy. As a community we raised money and got our wish last summer. It was at that moment that we decided that with more planning, a proper committee and time, we could host a full day of events for all ages. Working alongside the Lake Manitoba Narrows Game and Fish (that host a fishing derby geared for older kids and adults) the Family Fun Day Committee (made up of LMNLOA members and the Narrows Camping Committee) aimed to have events geared towards younger kids, as well as a fireworks display at night which is a treat for people of all ages. It is due to the dedication and hard work of these people, as well as donations from local businesses, that we are able to host our 1st Annual Canada Day Family Fun Day! We hope that this is the beginning of a great tradition where the lake community works together to make life at the Narrows filled with memorable moments!
