

Canada Day Family Fun Day and Fireworks Fundraiser

The Lake Manitoba Narrows Land Owners Association ("LMNLOA") is a group of people that both live and use the land around Lake Manitoba.

This includes seasonal

campers, cottage owners, and even regular guests that visit us and their local family and friends. We are like minded people that work together for the betterment of the community. This month the LMNLOA has partnered up with the Narrows Campers Committee to help raise money for the Family Fun Day.

The Family Fun Day is to be held on July 4, 2015, on the green space in front of the

marina at the Narrows West Lodge. We would like this Family Fun Day to be free for the kids and that is why we are working together to fundraise within the next few months to be able to provide the games, bouncy castles, prizes, face painting, balloons and entertainment free of charge.

Our fundraising will also go towards purchasing another dazzling display of fireworks as we did last year. We are reaching out to all local businesses and members of the community and asking for your help in raising money for a community fireworks display on Saturday, July 4th at 10:00 pm. Nothing brings the community together better than fireworks for Canada Day and so we ask those in the community to help us raise enough funds to put on a great show on the beach in front of the Lodge.

Our goal is to match the \$2,000.00 we raised last year to provide a great fireworks display on the beach. We will be purchasing the fireworks on Monday, June 29th so please contact us as soon as possible.

Representatives will be walking through the seasonal camping and the cottage properties throughout the month to begin collections. Look for the **Community Fireworks Fundraiser badge** to ensure your donations are secure. Drop off your donations at the Lodge by asking for **Whitney** or **Debbie** who are members of the LMNLOA or contact Revy at 204-781-1873 or email me at revy@narrowswest.com.

To make the Family Fun Day a success we are also looking for community volunteers as well to help run various events such as:

- Help with the pancake breakfast
- Supervise the blow up castle and various kids events
- Supervise the decorating station to get kids ready for the walk/ride Canada Day Parade.
- Help run games / sports for kids to participate in on the grass.

[Click here](#) for more information on how you can become a volunteer or get more involved in the Family Fun Day or call Revy at 204-781-1873 or email me at revy@narrowswest.com for more information.

We will provide a sponsor board at the Lodge to thank all people that made the fireworks display possible. We hope that this is the beginning of a great tradition here at the Narrows where the community works together to make life at the Narrows filled with memorable moments!
